

starkville BRIDGES

Starkville Bridges is a community initiative that is committed to eradicating poverty in Oktibbeha County. By working together, we can better understand and address conditions that contribute to poverty, improving the quality of life for everyone.

Starkville Bridges Summer 2014

Building Bridges for Kids: June 2-July 25

On Mondays and Wednesdays 1:00-3:30

BB4K focuses on the investigation of poverty with children and adolescents, equipping them with skills and knowledge that will benefit them in their futures. The BB4K Summer program this year was in conjunction with the Starkville Boys and Girls Club. The program consisted of a mentorship, with mentors from Mississippi State University, that focused on the third through fifth grade.

The coordinator and contact is Rod Holmes:
